Dear Michael Flowers,

**Submittal 697, Rev. 1 - Paint Quality Work Plan (PQWP)**

The Department has completed review of Submittal ABF-SUB-000697R01, "Painting Quality Work Plan for ZPMC," dated June 16, 2008. The submittal is "Returned for Correction." Redline comments have been made to specific elements of the submittal which are attached. Additional comments are provided below.

**CATEGORY A:**

1. The Contract requires that the Contractor provide copies of ASTM and SSPC standards applicable to the painting operations. These documents will become the property of the Department. As discussed, the documents provided with this submittal infringe on the author's copyright and can therefore not be accepted by the Department. Original published, legally transferable documents that comply with copyright law must be provided with each PQWP, for each item of work to be performed on the Project. Additionally, as stated in State Letter 05.03.01-001926, provide these copies (three number), for ZPMCs PQWP, to the Department's representatives based at ZPMC.
2. Intergard 269 is currently not approved for use on the project. Provide samples of this product for testing.
3. Provide confirmation from the manufacturer that Interzinc 52 is compatible with Interzinc 22 as this information is not provided on the data sheets.
4. Include the following Standards along with those the Contractor currently anticipates providing: ISO 8502-3:2000; ASTM A6

**CATEGORY C:**

1. **Preliminary & Surface Preparation Inspection Report – PR-001:** The Contractor should consider revising the form to include, Temperature, Relative Humidity and Dew Point.

Sincerely,

A handwritten signature in blue ink, appearing to read "Gary Purcell".
